

Welcome SAUA/PAUSA Congress 2024

Dear Colleagues and Friends,

It gives me great pleasure on behalf of the South African Urological Association to welcome everyone to the combined SAUA / PAUSA Congress 2024 here in Johannesburg, in particular, our friends from PAUSA, EAU and The South African Urology Nurses Association (SAUNA).

We extend our special thanks to Professor Shingai Mutambirwa (SAUA), and Dr Mohamed Jolloh (PAUSA), for organising an excellent academic programme covering all aspects of African Urology.

We thank all our local and international speakers and delegates who have travelled to share their knowledge and expertise with us.

As the South African Urology Association, we are also extremely proud to be associated with, and to sponsor, the African Urology Journal and the contribution that this excellent publication makes to Academic Urology in our country and Africa.

We wish you all an enjoyable and interactive stay at our congress and hope that you return to your practices with renewed friendships, enhanced knowledge and fresh enthusiasm.

Sincerely,

Dr Greg Webb
